

GRANFIT

GranFit Costan, the family of elegantly designed refrigerated cabinets, is enriched with innovative solutions.

- One family of products, which includes new solutions, creating a totally aligned style with maximum display coherence.
- The new semiverticals **GranSibari** and **GranValdaj** are champions of versatility with their linear design and evolved technical innovations.
- Infinite possibilities of choice: 4 different lengths, 3 depths and heights for **GranSibari**, 3 types of doors for **GranValdaj**.

Epta System is the advanced Epta vision. A complete system that includes high technology, services, concepts, solutions and innovative design, which also gives way to **GranFit**. To help you achieve your **#storevolution**.

Costan S.p.A. participates in the ECC programme for: Refrigerated display cabinets (RDC).
