

## Piero Triglio Godino – Member of the Board of Directors

After obtaining certificate of accounting, he started his career at Franger Frigo Spa, a former company in the refrigerated transport business as a Sales Representative. He moved on through different companies becoming Commercial Manager of Sital (household appliances).

In 1983 founded IARP with two associates, becoming CEO in 1995; he pushed the growth of the company in the following years in France and Thailand. He became the majority shareholder of the company in 2005. In 2013 he promoted the merger between IARP and the Epta group.

Since 2013 he has been a member of the Board of Directors of Epta SpA with the role of Vice-President.
