

SHORTLIST ANNOUNCED

Air Conditioning or Heat Pump Innovation of the Year

- Advanced Engineering, The Imperial iManifold
- Airedale International Air Conditioning, TurboChill and TurboChill FreeCool Chiller with low global warming potential refrigerant R1234ze (200-1360kW)
- Clivet UK, Zephir 3
- CRC Industries UK, Ambersil HFC Leak Alert
- Daikin Air Conditioning, Altherma Hybrid Heat Pump
- McQuay UK, ATS Chiller
- Mitsubishi Electric, MELCloud Mobile Control and Monitoring System
- Toshiba Air Conditioning, Refrigerant Isolation and Total Protection System
- Viessmann, Heating with Ice

Air Conditioning or Heat Pump Product of the Year

- Airedale International Air Conditioning, SmartCool SD/SN/SR dedicated CW precision air conditioning system (11-233kW)
- Airedale International Air Conditioning, TurboChill and TurboChill FreeCool Chiller with low global warming potential refrigerant R1234ze (200-1360kW)
- Arctic Circle, Free Heat DX
- Daikin Air Conditioning, Altherma Hybrid Heat Pump
- Daikin Air Conditioning, Emura
- Flakt Woods, ReCooler HP
- Mitsubishi Electric, City Multi HVRF Air Conditioning System
- Sinclair Corporation, SHP-140IRC/SHP-140ERC
- Warmflow Engineering, High Efficiency Modulating Ground Source Heat Pumps

Building Energy Project of the Year

- Daikin Air Conditioning, Bloomsbury Hotel, London
- ebm-papst UK, Diamond Light Source
- Geoclimatic Energy Inc., Geoclimatic Energy System
- INX UK, INX Production Facility
- Mitsubishi Electric, Kingston Heights
- Sudlows, University of Portsmouth Data Centre

Convenience Retail Project of the Year

- Sponsored by Cold Service
- AECOM, BP St Ives – Integrated CO2 Installation
- Carter Synergy, Tesco Express Bath Western CO2 Integrated Solution
- Epta Group, Co-operative Angel Square – Liquid Cooled CO2 system
- Sainsbury's, Milestone Convenience Store, Cobham

End User of the Year – (Non-supermarket)

- Sponsored by Airedale International Air Conditioning Ltd
- 2 Sisters Food Group
- Heineken
- Morgan Stanley
- Sagentia

Environmental Collaboration of the Year

- Sponsored by GEA Heat Exchangers
- Adande Refrigeration, Aircell technology within Manor Concepts' multi-deck display cabinets for Tesco eco supermarket
- Arctic Circle, Fox's Biscuits – Uttoxeter Site
- Carter Synergy, BP St Ives – Integrated CO2 Scheme
- Marks and Spencer, Marks and Spencer Research and Development Test Centre
- Sainsbury's, 20X20 Sustainability Plan

Industrial Project of the Year

- Johnson Controls, Cranswick Country Foods
- INX UK, INX Production Facility
- IsoCool, Coveris Rigid Energy Saving Cooling Solutions
- Johnson Controls, Perth Ice Rink
- Johnson Controls, 2 Sisters Food Group
- Polar Cooling Services, Microsoft TVP 2013-2014
- Sudlows, University of Portsmouth Data Centre

International Achievement of the Year

- Sponsored by Kaplanlar
- Advanced Engineering, The Imperial iManifold
- Airedale International Air Conditioning, Modular Data Centre Solution for Vodacom Pty, South Africa
- Carter Synergy, Walgreen's Net Zero Store, Chicago
- IB Baust, Energetic Refurbishing of a Butchery
- IB Baust, Natural Refrigerants for Economically Reasons
- Klima-Therm and Rhoss, EXP High Efficiency Hybrid Air Conditioning
- Resource Data Management, Achievement of International Expansion
- Space Engineering Services, Effecting Change in Refrigeration in India

24 SEPTEMBER 2014 | LONDON HILTON ON PARK LANE

Low Carbon Achievement

- Sponsored by Emerson Climate Technologies
- Frigescio, Low-Carbon, Low Energy Flash Defrost System
- Honeywell Fluorine Products Europe, Solstice Low GWP Refrigerants
- Klima-Therm and Rhoss, EXP High Efficiency Hybrid Air Conditioning
- Marks and Spencer, F-Gas Reduction Programme
- Marks and Spencer, Pack Optimisation Programme
- Mitsubishi Electric, Kingston Heights
- Sainsbury's, Triple Zero Stores Development

Marketing Campaign of the Year

- Sponsored by Johnson Control and Sabroe
- Aspen Pumps, Xtra Marketing Campaign
- Stephen Gill Associates, Open the Eyes of Others – Refrigeration Technology Changes Lives

National Retailer of the Year

- Sponsored by A1 Refrigeration Group
- Marks and Spencer
- Sainsbury's

Refrigeration Innovation – Component or Process

- Sponsored by Adande Refrigeration
- Carter Synergy / Green & Cool, CO2 Integrated Solution
- ebm-papst UK, AxiTop
- Frigescio, Low-Carbon, Low Energy Flash Defrost System
- Harp International, Trackmycylinders.com
- Marks and Spencer, Marks and Spencer Controls Initiative

Refrigeration Innovation – System or Standalone

- Sponsored by EPTA and George Barker
- Adande Refrigeration, Aircell for Refrigerated Multi-Deck Retail Display Cabinets
- Advanced Engineering, The Imperial iManifold
- Aerofoil Energy, Aerofoil Shelving
- Carrier Transicold, NaturalINE
- Epta Group, Liquid Cooled CO2 system
- Heineken, David XL Green Cooled Beer System
- Johnson Controls, Heat Pump Reciprocating Compressors
- Murco & RCS Energy Management, PGM-IR – Handheld Leak Detector with Infrared Technology

Refrigeration Product of the Year

- Advanced Engineering, The Imperial iManifold
- Carter Synergy, Carter Synergy / Green & Cool CO2 Integrated Triple Temperature Convenience Store Pack
- CP Electronics, Minus 30 Cold Room PIR Sensors
- ebm-papst UK, ebm-papst AxiTop
- Gram, SUPERIOR PLUS 72
- JAVAC UK, ISENSE & i-GAS-4 System
- Resource Data Management, The dmTouch
- Space Engineering Services, ECO2 Mini
- Victor Manufacturing, Optimax SMR100ECT

Retail Project of the Year

- Sponsored by Ryan-Jayberg
- Marks and Spencer, Research and Development Test Centre
- Mitsubishi Electric, Connells R22 Replace programme
- Sainsbury's, Triple Zero Stores Development

The Data Centre Cooling Impact Award

- Airedale International Air Conditioning, SmartCool SD/SN/SR dedicated CW precision air conditioning system (11-233kW)
- Airedale International Air Conditioning, Modular Data Centre Solution for Vodacom Pty, South Africa
- Asetek, RackCDU D2C Liquid Cooling: Direct-to-Chip, Hot Water Liquid Cooling for Data Centers
- GEA Denco Systems, Multi-DENCO
- Keysource, ecofris Innovative Cooling
- Sudlows, University of Portsmouth Data Centre

The Resource Data Management Contractor of the Year

- Sponsored by Resource Data Management
- A1 Engineering Solutions
- Adcock Refrigeration and Air Conditioning
- Carter Synergy
- Crowther & Shaw
- Westway Services

The winners will be announced on
24 September at the London Hilton
on Park Lane.

This event is usually a sell-out so book
your table now to guarantee your company
a premium position in the room.
